REVIEW OF THE WILMINGTON MARKET, FOR THE WEEK ENDING JUNE 23RD, 1859.

TURPENTINE-We have no change to report on previous quotations. The receipts for the week have been small, and, with a steady demand for distilling purposes, parcels have found ready sale on arrival at \$3 50 for virgin, \$3 for yellow dip, and \$1 75 for hard. The recent rains will, no doubt, cause a rise in the river, and we may confidently look for larger receipts from above tide-way during the coming week.

Messrs. Kates & Foster's Circular says : Spirits Turpentine.-We have to report an extremely dull market for Spirits Turpentine.
